

Olde Forge Junction Journal

February, 2007

Welcome New Staff!

Two new staff members were added to the Olde Forge team in October thanks to a partnership with Stafford Department of Social Services, the Virginia Community Corps, and Americorps.

Vivian Delts is our new Youth 3 & Community Strengthening Coordinator. Vivian will work to facilitate activities for the high school students and teenagers in the Olde Forge Community. She will also build working relationships with families throughout the community to host activities and provide training workshops in the neighborhood. A native of North Carolina, but a long time resident of Fredericksburg, Vivian has a degree in Social Work from Virginia State University. She is a member of Shiloh Baptist Old Site and plans to be a full-time local and/or overseas missionary.

Charissa McCall serves as our Youth 2 & Community Needs Coordinator, leading our middle school programs and helping families meet needs. She is a seasoned community volunteer, with experience in youth ministry, parent-teacher organizations, and homeowner groups. Charissa's favorite time is spent with her husband and four sons.
